

PRE-APPLICATION INFORMATION

Dear Applicant:

Thank you for contacting the Houston County Affiliate of Habitat for Humanity. Habitat is a non-profit Christian organization that builds decent, affordable houses for low income families that are living in sub-standard housing today.

HABITAT MISSION STATEMENT

Habitat for Humanity works in partnership with God and people everywhere, from all walks of life, to develop communities with God’s people in need by building and renovating homes so that there are decent houses in decent communities in which people can live and grow into all that God intends.

Please read the following items carefully to see if you have an interest in our ministry and to see if you meet the general guidelines.

TO QUALIFY:

1. You must be a resident of Houston County.
2. **You must have a need for housing.** Your present housing must be sub-standard. For example, leaks in the roof, broken windows, floor rotting out, doors that do not lock, heating or cooling problems, exposed wiring, etc. Overcrowding and being over burdened with housing costs may also be considered.
3. **You must have an ability to pay.** You must have a steady, verifiable source of income so that you can pay a mortgage.
4. **You must be willing to partner with Habitat for Humanity.** Every potential Habitat homeowner is required to work a minimum of 500 hours. You must be willing to work a minimum of 100 hours at a current Habitat work site and then get the remainder of your 500 hours by working on your own house.
