*Please join us in launching Houston County Habitat for Humanity's Veterans Build initiative for New Home Construction and Critical Home Repair. **Today, 1.4 million veterans are living in poverty. Many of our veterans are living in poverty because of the high cost of housing, despite having access to VA loans and other assistance.** Help us build simple, decent and affordable housing for military, veterans, and their families.*

This year's gala will honor those who served in World War II, Korea and Vietnam. If you know someone who is a Veteran or has an interest in participating in this event, please let us know.

Call Houston County Habitat today and make a reservation to attend this worthwhile event!!
