**Houston County Habitat for Humanity 2018**  
**Annual Report**

## ***Dear Houston County Habitat Supporters,***

On behalf of the families we serve, we celebrate all that God enabled us to do in 2018; a year of major achievements and continued expansion. Our commitment to the Revitalization Area of Wellston Villas continues. Through Habitat, there was the confirmation of God's grace and provisions in our daily lives as we completed three new homes and twenty repair projects. We also placed a fourth family in a home that we were able to refurbish.

Our second annual Veteran's Gala was a great success that continues to provide funding for Veteran home construction and repairs. Our repairs program serves veterans, the disabled, and "aging in place" seniors. We at HoCo Habitat are incredibly grateful for the contributions of our many donors, partners, volunteers, and advocates whose continued support has allowed us to build strength, stability and self reliance through shelter.
