

Women Build Workshops:

February 1, 9:00 am - Truss Construction. Learn basic plan reading, use of power tools, team work, and basic construction safety.

February 8, 10:00 am – Sheetrock Basics by Lowe’s. Learn techniques for installing and repairing sheetrock.

Women Build Onsite Workday:

March 7, 8:00 am – 2:00 pm – Lowe’s National Women Build Day. Construction at House #61 on Old Mission Way.

Join the Houston County Habitat for Humanity Women Build Team

Whether you are a pro or don’t know a T-square from a nail gun, you can help build a better community for families in Houston County. Habitat for Humanity **Women Build** volunteers come together from all walks of life to build stronger, safer communities. Women and children make up the majority of people populating Habitat neighborhoods, as they are the most likely to be affected by poor living conditions. Women Build events provide the opportunity for women to take a proactive step in serving their communities. Of course, you are not going to build a house on your own when you join the team! There will be training and building events for our **Women Build Team** throughout the year. You are always invited to help with our Saturday home construction and our **A Brush with Kindness** program.
