- **July 1, 2020 – June 30, 2021**

# • *Dear Houston County Habitat Supporters,*

- On behalf of the families we serve and our community stakeholders, we celebrate all that God enabled us to do in 2021. Despite the challenges of COVID 19, we were undeterred in our mission to grow and serve our community! Our ReStore continues to prosper and provide much needed funds for our construction budget. Our “Home is the Key” fundraising program has raised \$250,000 towards our \$1,000,000 goal!

- We closed on three new homes and had two more under construction by year's end. Our Repairs Program finished 15 projects to help keep our

# homes

"I've never lived in a house. I'm grateful to have my own place, but it's the American dream to own your home, right? After living in apartments, to have your own place you can call your own is mind-blowing. I want a place where my sons can look back and say that's where I grew up, made my childhood memories. A place they know they can go when the going gets tough."

**CHIMERE**, a new Habitat homeowner in Perry, GA

"Habitat is a blessing to us. They came and saved our lives. They are building us a house we can call home. A house that is brand new with no water damage or leaks."

**STEVEN & SANDRA**, future Habitat homeowners in Warner Robins, GA

"This is a blessing. Our home will provide the security and stability my children need. I'm so thankful to Habitat and the community in helping this dream become reality."

**JESSICA**, a new Habitat homeowner in Warner Robins, GA

We build because we want to make this world a fairer place, to help make our communities beacons of equality. We know that when we do — when we join together — every improvement we make envelops and uplifts us all. What might seem for many families like an impossible dream of homeownership often starts with a whisper of hope — a small act of courage in its own right. And it makes all the difference.

# communities

A sense of a connectedness and a willingness to actively help shape the world around us for the better have always been Habitat hallmarks. They are deep in our DNA. It's in the recognition of how much we depend on one another, how much we matter to each other, that we can harness our shared humanity and heal together. Habitat's efforts are only as strong as local communities, leaders, volunteers and supporters. With your support, we create a better world — because we build it together.
