

What is Women Build?

10 teams of women will work together through Women Build Month to raise funds to help Houston County Habitat for Humanity reach its goal of \$100,000 dollars.

Women Build is an annual event that recruits and empowers women of all different ages, backgrounds, and industries to come together to build homes and make a powerful and visible impact on our local community through affordable housing and neighborhood revitalization efforts. Projects include participating in new home build or shed build. Funds raised will support building new homes for low-income families in Houston County.

10 TEAMS, 100 WOMEN, 1 GOAL of \$100,000+
