

# THE MISSION CONTINUES

## EMPOWERING VETERANS TO SERVE THEIR COUNTRY IN NEW WAYS

The Mission Continues empowers veterans who are adjusting to life at home to find purpose through community impact. We connect veterans to the heart of the community improvement efforts by tapping into their unique leadership and skills developed in the military, and their spirit of service to help the community do even more.

### THE FELLOWSHIP PROGRAM

A Mission Continues Fellow is a post 9/11 veteran who, through an application and interview process, is selected to serve for six months, 20 hours a week at a non profit organization of their choice. During the Fellowship, fellows will complete a professional development curriculum, receive a monthly cost of living stipend and one on one coaching from Mission Continues Staff.

The Mission Continues has awarded 1600+ Fellowships across the country with fellows serving at national monuments, historic sites, youth and public service organizations, and more.
