

Know Your Safety Policy

- **Are you dressed properly, shoes, gloves, etc.**
- **Personal protection must be worn when using power tools**
- **If working below other volunteers you must wear a hard hat**
- **Think before you perform a work task**
- **Concentrate on your task, don't get distracted**
- **Ask How? If not sure how to use a tool**
- **Inspect tools, ladders before using them**
- **Know where the first aid kit is**
- **Never lay lumber on the ground with nails sticking out. Always remove the nails**
- **Advise your supervisor immediately if you observe any unsafe or hazardous condition**
