

## VOLUNTEER GREETERS NEEDED!

HocoHabitat for Humanity is looking for a few good volunteer greeters for our Saturday projects! Duties will include greeting volunteers as they arrive at the work site, making sure coffee and donuts are available, seeing that waiver forms are signed for new volunteers and other duties as needed. We have a wonderful group of dedicated volunteers and we want to ensure that they receive the very best experience each time they are with us. If you are interested in donating one or two Saturdays a month, please contact us at [hocohabitat@att.net](mailto:hocohabitat@att.net) or 478-328-3388.
